

Social Issues: A brief overview

Understanding Ethics: A Christian Perspective

Four social issues

- The World of Work
- Business Relationships
- Celebrating Ethnic Diversity
- Simplicity, Generosity and Contentment

A «5-step approach» to:
Simplicity, generosity and contentment

- 1) What is the issue and why is it relevant?
- 2) How can we understand the issue better?
- 3) What are the key principles and values at stake?
- 4) What is the distinctive contribution from a Christian ethical perspective?
- 5) How should the ethical response be – e.g. from (a) Christian journalists in mainstream news media? (b) Christian communication workers in church media? (c) Christian local churches?

Reading and writing

- Which social issue would you like to choose as your reading?
- Would you like to write your essay on your selected social issue?
